Safe Sanctuary Supervision Requirement

As part of the Safe Sanctuary provision of the St. John United Methodist Church Fine Arts Academy, all children/youth under 18 years of age are to be supervised by at least one other adult, in addition to the music instructor. "Supervision" (as defined by Safe Sanctuaries: Mandatory Standards for Local Churches in the Kentucky Annual Conference) means to oversee or direct a ministry or activity.

Supervision must be conducted by:

- An adult that is at least 18 years of age and
- Is at least 4 years older than the child or youth that is being supervised.

It is the responsibility of the parent or guardian to provide such adult supervision of the child with the music instructor.

All parents or guardians of minor children under 18 years of age are required to follow the Safe Sanctuary provisions:

- Parents or guardians of the child must stay in close proximity to the music lesson room, or arrange for another adult to remain in close proximity, during the time of the lesson.
- Periodically check in on the lesson and provide the needed second adult supervision with the child.
- If the parent or guardian does not remain in the lesson room, then doors are to be left open.

Close proximity has been defined as the following:

Lesson/Instruction Area:

Lower Level Classrooms
Youth Center
The Barn

Supervision Proximity:

Lower Level Lobby
Youth Center
Nursery Hallway

Special provisions are necessary for lessons occurring in any locations other than those listed above.

The Parent or Guardian acknowledges that it is not the duty of the St. John United Methodist Church to provide this additional supervision and expressly waives any and all claims resulting from failure of the parent or guardian to provide the required adult supervision.

Failure to follow Safe Sanctuary Guidelines will be reviewed on a case by case basis by St. John UMC and may result in disciplinary action up to and including dismissal of the involved teacher from the St John Fine Arts Academy.
